ALU BUILD™

For Aluminum & Metals

[COMPANY PROFILE]

[COMPANY PROFILE]

ABOUT US

Founded in 2014 by Eng. Abd Al-Monem Ghita, ALU Build started as a small establishment with a humble vision. Over the years, through dedication and innovation, we have grown into one of Egypt's leading names in aluminum and glass. Our success is driven by a skilled technical team that embraces the latest technology and industry advancements to deliver top-quality solutions. Today, ALU Build is recognized for excellence, precision, and craftsmanship in the field. We take pride in our new facility and would love to welcome you for a visit, where you can see firsthand how we produce the finest quality aluminum and glass decor.

[2014]

History → of ALUBUILD

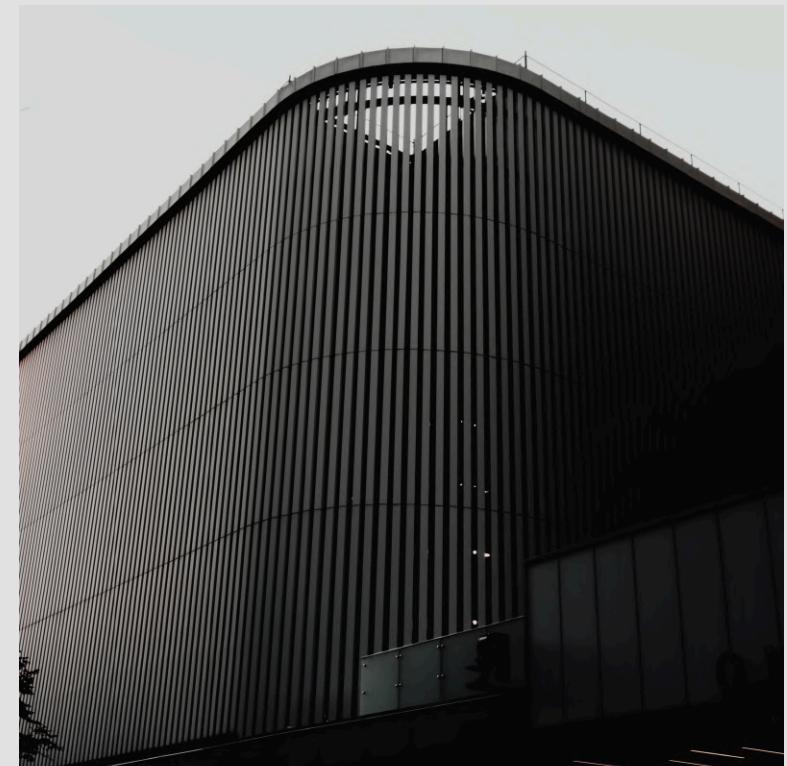

Based in Maadi, Egypt, we proudly operate across the entire country with a strong reputation for excellence. Our factory in Al-Haram specializes in all aspects of glass and aluminum manufacturing, including curtain walls, with a commitment to turning your vision into reality. Whether you're looking to enhance your home with stunning stained glass designs, install modern curtain wall systems, or need high-quality aluminum windows and doors for a commercial project, we bring expertise and dedication to every detail. Under our name, we have completed a wide range of projects, from luxury villas and shopping malls to residential complexes, educational institutions, and hospitals—serving both the public and private sectors with distinction.

Our Mission & Vision

To design and manufacture premium aluminum, glass, and curtain wall systems that enhance aesthetics, efficiency, and sustainability for residential, commercial, and industrial spaces.

To be a leading provider of high-quality aluminum, glass, and curtainwall solutions, delivering innovation, durability, and style to every project.
